# How it works

- Sign up and be amongst the top pharmacy groups attending.
- Build your profile, with attending delegates, a logo and a short company description on your portal.
- **2 weeks** before the event let us know which suppliers you'd like to meet with.
- Using our bespoke matching software, your preferences will then be matched with those of the suppliers.
- **1 week** before the event you will receive your tailored agenda of one-to-one meetings, meaning you know exactly who you'll be meeting and at exactly what time.
- **2 days** before the event, you will be invited to download the PharmacyForum app so you can get ahead of the networking before you arrive.
- You will host your meetings at tables and the suppliers move from meeting to meeting every **15 minutes** (think speed-dating!)

"Time is a precious commodity, but the PharmacyForum team have compressed an enormous amount of worthwhile content and connections into a very short time."  
**Managing Director, Right Medicine Pharmacy**
